Scholarships are open to youth who are currently or have previously experienced the San Francisco Foster Care or Juvenile Justice systems. Applicants must intend to enroll in higher education during the 2024-2025 academic school year and demonstrate a need for financial support. You can find more information at [www.cityyouthnow.org/scholarship](http://www.cityyouthnow.org/scholarship)

“ This collaboration has been equally beneficial for both organizations. The interns are able to learn the fundamentals and discipline of employment and they provide much needed support to our programs and facilities. We love being a part of this internship and we are honored to be a positive impact in these young teens lives.

-Ray Kelly, SF Park & Rec Supervisor

## Margaret Hayward

Margaret Hayward is one of our newest internship partner sites! It is an SF Recreation and Parks location that hosts an afterschool program led by Ms. Anitra, where interns gain experience in tutoring, mentorship, customer service and childcare. We're so excited to host our YPEE Interns here at this site!

## YPEE INTERNSHIP PARTNERS HIGHLIGHT

“ At Herz Rec Center we are happy to offer a spot for interns to work in their community. Building good work habits and learning to be responsible and involved at their job.

-Mr. Robert, Herz Playground

## Herz Playground

Herz Playground is another new site we have gained through SF Recreation and Parks. It is located in Visitacion Valley and the afterschool program is led by Mr. Robert. Youth interns gain experience in working closely with elementary school age children in the community, bonding over sports, activities and play!
